

How-To Add the CFHOG Calendar to iPad/iPhone (IOS 5)

1. Open the **Settings** application on your device's home screen.
2. Open **Mail, Contacts, Calendars**.
3. Select **Add Account...**
4. Select **Other**.
5. Select **Add Subscribed Calendar**.

Server URL:

<https://www.google.com/calendar/ical/cfhog3473%40gmail.com/public/basic.ics>

6. Enter cut and paste the above server URL In the **Server** field.
7. Click the **Next** button.
8. After the information is verified, click **Save**.

The selected calendars will display on your device at the time of the next sync.
